

Bonrich Academy of Applied Electrophysiology

Presents:

Special DFW-Plano Area
Avazzia Training
Workshop
April 23, 2016

We are excited to offer you a chance to do some real hands on training. Be prepared to use your device! We want to help you understand what modes can be used for different issues and have you feel comfortable using your device. PLUS, be sure to tell us what special areas or protocols you want to learn more about.

Hosted by:

Dr Laura Precourt
